

CRANBERRY HARVEST TOURS

Tihonet Road, Wareham, MA

Eager to see the cranberry harvest up close? We have designated select dates for the public to join us for a tour of our water harvest operations during the peak of the season. During the tour guests will be taken by bus to the bog areas while a step-on grower guide discusses everything cranberry. Massachusetts's premier fruit offers spectacular photo opportunities and a unique agricultural experience. Advance registration is required and available online.

September 27, October 18, 25 & 30

Admission \$12 per person, Under 7 Free

Private group tours are offered year around for groups of six or more see our website for more information.
